ST10	Additional Service Clarifications <p>All ST10 storage class data is included in a full backup weekly (work/temp volumes are excluded) unless other arrangements by the agency have been made.</p> <p>ST10 storage class data is included in the Commonwealth's Disaster Recovery methodology at no additional charge (work/temp volumes are excluded).</p> <p>DASD data will be recovered only through the date of the last full backup (i.e. weekly). Agencies requiring more frequent backups, or another methodology may contact the OIS Storage team for possible options and costs.</p> <p>Consumption is measured during a single working day each month. The actual date varies month to month. Agencies are charged based on consumption on the particular date consumption is measured.</p> <p>COT's oversees all changes to the enterprise via the Change Management process. Non-scheduled and/or emergency changes require Emergency Change Management approval. In addition, COT reserves the right to bill the agency for COT personnel time associated with emergency changes.</p>
